Hi Suzy

Look at the (1) **laptop** / **tablet** in this picture. It's (2) **my** / **mine!**

(3) **Your** / **Yours** is better, but I'm very happy with this one! I use it every day (4) **writing** / **to write** my blog. Mum and Dad gave it to me for my 11th birthday. They also gave me a (5) **key** / **password** for the door of (6) **our** / **ours** house. :-) I wear it on a necklace to school.

I've made some new friends. They're Italian! At school, we use a chat room (7) **to practise** / **for practising** Spanish with some children in Italy. It's good. My Spanish is worse than (8) **their** / **theirs!** 😞

avatars Earth hers his Mine mobile phone tablets their Theirs to

This is a picture of me and my friend Will. We always use his

(1) **mobile phone** \_\_\_\_\_ to take photos. (2) **Mine** \_\_\_\_\_  
is newer than Will's, but (3) **his** \_\_\_\_\_ takes better photos.

Will's got a sister called Anna, and I usually go to  
(4) **their** \_\_\_\_\_ house at the weekend.  
We play computer games on our (5) **tablets** \_\_\_\_\_.  
We use (6) **avatars** \_\_\_\_\_ to stay safe online.  
(7) **Theirs** \_\_\_\_\_ are really cool! His is an alien and  
(8) **hers** \_\_\_\_\_ is a monster.

Our favourite game is *Comet!* Comets are coming to  
(9) **Earth** \_\_\_\_\_ and you click on them  
(10) **to** \_\_\_\_\_ stop them. We're very good at it!
